FUTURE FORESTRY FINANCE 2012

Following on from the huge success of Future Forestry Finance 2010, this is the industry conference of choice for industry leaders and financiers looking to inform their investment and loan risk strategies in the forestry and wood products industry across Australasia.

EVENT MISSION

To deliver practical and timely information for the benefit of industry leaders and key financiers of forestry across the Australian and New Zealand forest products sectors - focusing on key factors affecting the sector's future investment and profitability.

WHO WILL ATTEND

Directors, CEOs, Senior Managers and Account Executives in the finance and corporate services industries focused on Australasia; Iwi Trustees, Maori Forest Enterprise Managers, providers of accounting, investment and other business services, and leaders and senior managers in forestry enterprises.

WHO IS FIEA

The Forest Industry Engineering Association (FIEA), a division of Innovatek Ltd, has since 1998 been running an extensive series of technical programmes and conferences for Australasian forest and wood products companies and those involved in or associated with this sector.

KEY ISSUES COVERED

Future Forestry Finance 2012 will look to provide updates on:

- What key investment issues are facing Australia/New Zealand forest product sectors?
- What strategies are in place to encourage investment and growth in the sector?
- How do Australian and New Zealand investment opportunities compare internationally?
- What are the potential impacts of the 'BRIC' economies - Brazil, Russia, India and China?
- Will China continue to drive growth in global wood markets?
- Where are the opportunities for 'green' investment in Australasian forest product sectors?

CONFERENCE DETAILS

Venue: Crowne Plaza, 128 Albert Street, Auckland

Accommodation: A special Future Forestry Finance room rate of \$180 (incl. GST) for a limited number of rooms, are available to delegates at the Crowne Plaza.
